Targus

TSM148CA | Targus CityGear Mini for iPad®, Tablet, Netbook

The Targus CityGear Mini is designed to protect the iPad, most tablets and 10.2” netbooks and offers the perfect solution to transport a device and all of its accessories together in one case. The zip-down workstation includes a business card holder, pen/pencil loops, a key clip, zippered mesh compartment and plenty of space to store an iPod®, power adapter and other gadgets that need to travel with you. A back slip pocket provides storage for documents and the trolley sleeve allows for easy transport on rolling luggage. The handle and padded/removable shoulder strap are convenient and comfortable for travel. The CityGear Mini is ideal for students or travelers looking for a compact yet functional case with a number of zippered compartments for storage.

Includes zipdown workstation, zippered storage compartment, business card holder, penpencil loops, key clip, rear slip pocket , external cell phone pocket and luggage strap for easy attachment to rolling cases.

Constructed of durable nylon and 3D mesh

Designed specifically to fit the iPad, most tablets and 10.2 netbooks
